

Cirque du Soleil - Totem

Prices shown are provisional and are subject to change

ROYAL ALBERT HALL, LONDON
6th January - 29th January 2012

TOTEM traces the fascinating journey of the human species from its original amphibian state to its ultimate desire to fly. The characters evolve on a stage evoking a giant turtle, the symbol of origin for many ancient civilizations.

Inspired by many founding myths, TOTEM illustrates, through a visual and acrobatic language, the evolutionary progress of species.
